

# Continue to help Lupe the Lizard explore the ‘Walk Through New Mexico’ Exhibit

*Did you know that Lupe is a young New Mexico Whiptail Lizard?  
NM Whiptail Lizards are the official state reptile!*

*In the Colorado Plateau I saw:*

*Touch some of the rocks. What do they feel like? Are they smooth, rough, sandy?*

*In the Southern Rocky Mountains I saw:*

*This is a mountain area. Is it high or low?*

*Did you see Lupe on your walk? Draw a picture of the most interesting thing you saw during your walk through New Mexico.*
